Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the Tulare County Association of Governments' (TCAG) Administrative Amendment No. 24, which makes a technical correction to their 2004/05 - 2006/07 Federal Transportation Improvement Program (FTIP). The adjustment is to correct an error in the construction date of a Federal Transit Administration 5307 project included in Amendment No. 17. The California Transportation Improvement Program System (CTIPS) incorrectly showed the date of construction for project TUL04-080 as Fiscal Year (FY) 2006/07. The correct FY is 2004/05. The updated programming is for an exempt project per 40 CFR 93.126, Table 2, Mass Transit. The funding of this project will not delay the implementation of projects in the metropolitan transportation plan or FTIP. The financial impacts of this amendment are compatible with anticipated revenues in the Federal Statewide Transportation Improvement Program Financial Plan and do not significantly affect the overall financial analysis.

The changes are included and submitted by TCAG through. Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

Office of Federal Transportation Management Program
